Jeffries Out of Fighting Game

Disease Wins Where Opponents Failed-Cancels All Theatrical

Engagements.

CHICAGO, May 14-James J. Jeffries, champion heavyweight pugilist of the champion heavyweight pugilist of the world, has retired. Disease accomplished what no human being was ever able to do. A combination of rheumatism and malarial fever has put the puglist out of the fighting game for all time, according to an announcement made by Jeffrles, who has canceled all his theatrical engagements and started for California tonight in an effort to regain his health. Jeffrles is going to Los Angeles, where he intends to build a home. In the future it is his intention to devote his time to several valuable mining claims he and one of his brothers possess in Arizona. Before leaving for the Pacific coast tonight Jeffrles said: "Thank God, I am through with boxing. I have suffered more pain during the last few days than in all my fights put together. Understand, I am not physically down and out, simply full of malaria and rheumatism, but I have decided to retire from the prize ring. I have two reasons for taking this course. My present physical condition is one, and the other is because there seems to be no one in sight to meet me capable of giving the public a run for its money."

Billy Delancy, Jeffrles's manager, and who practically brought Jim Corbett to the front, will retire from the puglistic field along with the champion world, has retired. Disease accomplished

SPOKANE. Wash. May 14.—Spokane took two games from Boise today, the first because Dammann was hit hard and timely, the second because of poor playing by the Boise battery in the first inning. Spokane's pitchers, morning and afternoon, were quite effective except in one inning each. Two sensational catches in the outfield by Lewis and the all-round work of Captain McIntyre of the Boise team were the features in the afternoon. The feature in the morning game was the scientific batting of the locals. Score.

EUREKA, Uthh, May 14—Eureka scored the first shut-out of the season on the local diamond today in the game with the Vincent-Nort team of Salt Lake, the score being 7 to 0 in favor of the champions from Utah's greatest mining camp. The visitors played a very loose game after the second inning and were badly outclassed. The members of the local team played professional ball from start to mish and only two visitors succeeded in getting past the second sack. But one error is checked up to the Miners, and this was by no means a costly one. Arthur Chivrell, who pitched today's game, made a splandid record for himself, allowing the 'Shoe Dealers' but four hits, no two of which were in the same inning.

Is Home Product. Chivrell 's a home product and a "comcr" in every sense of the word. During
the nine innings he struck out nine men,
walked two and only twelve men were at
bat in the first four innings. Romney, the
slab artist for the visitors, did fairly
good work, but was handleapped by havlag a poor backstop and poor support. He
is credited with ten strike outs and not a
single walk. He allowed the locals fiftren safe ones, three of which were good
for two bases each.

This accident and the fact that Lumley, the regular catcher of the Eureka team, is unable to play, because of an injury which he received last week, made it impossible for many of the Eureka players to play in their usual positions, but this did not prevent them from putting up practically an errorless game.
